Stewardship Corner

Acts 2:1 – "When the day of Pentecost arrived, they were all together in one place." Pentecost is the Old Testament harvest festival, taking place around the time when the wheat and oats are ready to be brought in. Of course, this was an image and foreshadowing of the great harvest of humankind that God means to carry out through the preaching of His Word. God gives the seed, and God brings about the harvest. From first to last, in things temporal and things eternal, we stand only by His grace.
