### St. Trinity Endowment Fund – July Update

#### Where Does the Money Go?

One question we often hear is, "**How does the Endowment Fund actually work?**"

Unlike many special offerings, gifts to the St. Trinity Endowment Fund are **not spent immediately**. Instead, they are invested through our ministry partner, the LCMS Foundation, as a way of faithfully stewarding God's gifts for long-term ministry.

Each September, the Endowment Board determines the amount available for ministry in the coming year (investment earnings plus up to 5% of the principal). Grant applications are then reviewed and funds are awarded to projects that support the St. Trinity Endowment's three ministry areas:

- **Mission & Outreach**
- **Church Worker Training & Scholarships**
- **Special Purpose Ministry Projects**

Since only a **small portion** of the Endowment is available for grants each year, the majority of the fund remains invested, allowing it to continue growing and supporting God's work for future generations.

If not all of the available grant funds are awarded in a given year, those funds remain in the Endowment and continue to strengthen the fund for future ministry projects.

The Endowment Fund is one more way we faithfully invest in God's work, today, tomorrow, and for generations to come. Thank you for your continued support and stewardship.

—The St. Trinity Endowment Board

### Stewardship Corner

**Romans 8:18 – “For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.”** It is very easy to get caught up in the present and lose track of our ultimate destiny in the kingdom of God. St. Paul encourages us to keep eternity in mind. This certainly has an application to our support for the Gospel — if we keep our focus on “the glory to be revealed,” we will see our tithes and offerings in a new light.

**The Board of Human Care** Are collecting ***Peanut Butter and Jelly*** through the summer months to distribute to various food banks in our area.
