

## The Trinity Times Weekly Announcements

### **NEW CHURCH DIRECTORY NEEDS YOUR UPDATED CONTACT INFORMATION**

Starting this weekend, we will place a church directory in the narthex giving all members names, addresses, phone numbers and email addresses we have in our database. **Please look at your family's information and write OK next to the current info if it is all correct. If anything is incorrect, please print any necessary corrections on the sheets provided on the table.** If we receive no corrections to what we have on file for your family, the current information we have will be published in the new photo directory.

#### **Verify your name is spelled correctly & verify current mailing address:**

Please review the spelling of your name(s) in the directory, make sure that we have included all your household members, and verify your mailing address is correct.

#### **Verify your current phone numbers:**

Please specify if any are cell phone numbers and whose cell number it is. If you do not want certain phone numbers published, please specify those particular phone numbers.

#### **Verify your current email address:**

You may give us multiple email addresses. However, only one email address can be printed in the directory, so please specify which one you want published. This email address is what we call your "household" email address.

*Thank you for your assistance!*

### **Church Extension Fund Sunday - July 27th**

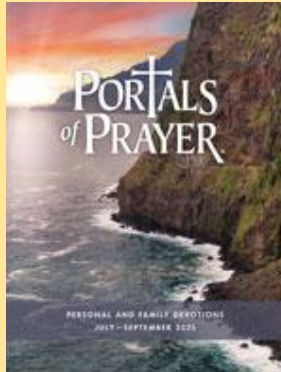

Rodney Barodte with CEF will be joining us this Sunday!

At the beginning of service, Rodney will share a brief general overview of CEF, as well as how individuals and ministries can participate. In addition to answering a few questions at the beginning of Pastors class, Rodney will also have a table in the Narthex for additional conversations.

### **Stewardship Corner**

**Luke 11:11 – “What father among you, if his son asks for a fish, will instead of a fish give him a serpent?”** A generous, giving spirit comes from knowing that you have a generous, giving Father. He will care for our needs. We are therefore free to reflect His generosity in our lives. We can be generous in raising our children, supporting the church and serving our neighbor in the community. In these three areas — home, church and society — the Lord has called us to show His grace and generosity to those around us.

It appears that the Shark WandVac (handheld vacuum) & its charging cradle from the nursery/cry room have been misplaced.

Both items are black with a “Shark” manufacture label, & look similar to the one pictured here.

If you know where it was put or have borrowed it, please contact the church office. We are in need of them.
