Hold in your hand a tiny acorn that will someday become a giant oak. Bend down to sniff a wildflower and notice the delicate curl of a single petal. Observe the intricate design of a butterfly's wings as it floats effortlessly in the sky and settles on your finger.

Our amazing God is not only the Creator of all things, but He also cares about His creation, right down to the tiniest detail. And the Bible tells us that people are the most significant part of that creation. God created you and knows every detail about you—right down to the design of your fingerprints and the number of hairs on your head. God cares about everything that happens to you.

*Magnified!*™ VBS will encourage kids to look closely at the details of God's amazing world and magnify, or proclaim, the greatness of God. God made us, cares about us, loves us, forgives us, and is faithful to keep all His promises to us. We can praise God together!

### Stewardship Corner

**Luke 8:37 – “Then all the people of the surrounding country of the Gerasenes asked Him to depart from them, for they were seized with great fear. So He got into the boat and returned.”** The Gerasenes are upset with Jesus because His ministry led to the loss of their pig herd  $\frac{3}{4}$  their wealth. They want Jesus to go away before He does any more damage to their bottom line. Their priorities are clear. What about our priorities? Is the work and ministry of Jesus worthy of our support and the sacrifice of some of our wealth?

A recent letter from seminarian, Ryan Hicks.

Dear Brothers and Sisters of Saint Trinity,

By the time you receive this letter, the semester will be over! This first year has gone by in a flash – so many friends met, so much work completed (and agonized over), and so much formation has taken place in me. In a few short weeks, I will be allowed to begin preaching to congregations and have already been given the chance to preach at my St. Louis congregation by my wonderful supervisor, Pastor David Schultz. On Tuesday, May 13<sup>th</sup>, I will be delivering my first sermon on giving thanks to my Homiletics class, please keep me in your prayers!

Speaking of giving thanks, I have been blessed by God not only to have this incredible opportunity offered to me, but to have your financial and spiritual support throughout it all. Thank you for making these wonderful experiences possible for me. Without your support, I imagine I'd be back home in Florida, agonizing about how to answer God's call. You have made this entire process infinitely less daunting by your support. I cannot state it enough, thank you so much. I continue to pray that all is well with you, your family, and your church.

God Bless,

*Ryan Hicks*
