### **Stewardship Corner**

**John 21:6 – “He said to them, ‘Cast the net on the right side of the boat, and you will find some.’ So they cast it, and now they were not able to haul it in, because of the quantity of fish.”** Won't the disciples ever learn? Jesus did this once before – when the odds seemed completely against it, the Lord gave them a command to let down the nets, a command that seemed crazy. But they complied and He blessed their obedience. When will we learn this lesson, too?

## MAY STEWARDSHIP MESSAGE

### Post Easter Thoughts

Easter is unlike any other religious holiday. No other religion makes the outlandish claim that *their god* rose from the dead. While some have and still do call this statement preposterous, it is true, and the most ardent skeptic cannot produce credible evidence to the contrary.

When Jesus rose from the dead, he broke the laws that govern the universe. Rising from the dead and performing miracles are not possible unless you are God and you established the laws of the universe. Jesus said and demonstrated that he was and is the way, the truth, and the life (John 14:6).

When Jesus came into our world, he came to lay claim to that which is rightfully His - **everything**. God made this world, and everything in it (Acts 17:24). The world, the universe, and each of us are not here by some cosmic chance but by God's Grace.

As we go forward from Resurrection Sunday, we do so clear-eyed. We know the author of all of existence, including and especially, our very life. Just as we gaze at a beautiful painting and admire it, we should live every day in awe and amazement of what our Creator has made, and the love that He has for us.

"There is not a square inch in the whole domain of our human existence over which Christ, who is Sovereign over all, does not cry, Mine!"

— Abraham Kuyper
