Stewardship Corner

Amos 6:1a – “Woe to those who are at ease in Zion.” The Book of Amos is a warning to God's people who have been given great material wealth. As Jesus Himself mentions, material blessings can turn into temptations — chiefly the temptation to think of ourselves as self-sufficient and independent. What does Amos suggest as a way to combat this temptation? First, faith in the Lord and dependence upon Him! And if our faith is right, we will want to follow the rest of Amos' instructions — to bless the poor with our alms and to make sure the Lord's House is properly cared for. In other words, we are called to align our actions with God's priorities and put others ahead of ourselves.
